PHILADELPHIA MEDICAL HOUSE— Established twenty-two years ago by Dr. SINKELIN, corner of Third and Union streets,

SHEET IRON SUMMER STOVES, which will do the cooking of a family at an RARMERS can always find the best qualcure of all diseases of a private nature; manhond's debility, as an impediment to marriage; nervous and sexual infirmities, diseases of the Sole, Upper and Calf Skin. A good sup- skin, and those arising from the abuse of mer-TABE PARTICULAR NOTICE - There is an evil

habit somethmes indulged in by boys, in soli-tude, often growing up with them to manhood; and which if not reformed in due time, not only begets serious obstacles to matrimonial happieas, but gives rise to a series of protracted, sidious, and devastating affections. Few of those who give way to this perniuntil they find the nervous system shattered, feel strange and nunccountable sensations, and vague fears in the mind. [See pages 27, 28, 29, of Dr. K.'s book on "Self-Preservation." The unfortunate thus affected becomes feeide, is numble to labor with accustomed viger, or to apply his mind to stud : his step tardy

and weak; he is dull, irresolute and engages even in his sports with less energy than usual. If he emuncipate himself before the practice has done its worst and enter matrimony, his marriage is unfruitful, and his sense tells him that this is caused by his early follies. These are considerations which should awaken the uttention of all who are similarly situated.
REMEMBER, he who places himself under Dr. Kinkelin's treatment, may religiously confide in his honor as a gentleman, and rely upon the assurance, that the secrets of Dr. K.'s patients will never be disclosed.

Young man, let no false modesty deter you from making your case known is one, who from education and respectability, can certainy befriend you.
